Choosing the right mobility specialist is important.

Solutions as Unique As You

Advantage Mobility Outfitters is committed to developing, installing, and delivering the highest quality mobility solutions possible. Always sensitive to the unique needs of our customers, we dedicate ourselves to design solutions that fit your individual needs.

At Advantage, you can be sure that your vehicle meets the highest level of performance and safety standards in the industry. Our experienced technicians are factory-trained and certified on all the products we install and service. We are proud to be a Five Star Braunability Dealer as well as a long-time member of the National Mobility Equipment Dealer's Association and a nationally certified member of NMEDA's Quality Assurance Program (QAP).

Start by asking these important questions.

What type of vehicle do I need?

- Every person's mobility needs are unique.
- Our certified mobility specialists take time to understand your needs so we find the mobility solution that's right for you.
- Come in for a free consultation
- We can help you purchase a new or pre-owned vehicle.

Is the equipment transferable?

- Our mobility experts will help you determine what equipment is transferrable to another vehicle.
- We purchase used mobility vehicles.

What about maintenance?

- High quality workmanship at competitive prices.
- Free lifetime mobility maintenance checks to keep your mobility equipment in peak condition.
- Same day service appointments
- Offering **A.S.A.P.** After-Hours Service Assistance Program

Does Advantage have what I need?

- Full service outfitter of personal vans, cars, trucks, recreational and leisure vehicles, as well as fleet and commercial transportation.
- Complete selection of adaptive mobility equipment
- We carry top brand vehicles and adaptive mobility products including Braun and Ricon wheelchair lifts, Vantage mobility minivans and Braun Entervans, lowered floors, raised roofs and driving aids.
- We now offer the PhysioStep Recumbent Elliptical Cross Trainer, the latest in adaptive fitness equipment that provides an easy & effective low-impact total body workout.
- Expertise at finding innovative solutions to meet your specific needs. Challenge us with your ideas and we'll make it happen!

Is driver's training available?

- We'll connect you with the right resources for a professional driving evaluation and training for you and your whole family.
